# WHAT IS AN EDUCATION DEGREE?

A Master of Education (M.Ed) degree in India is a postgraduate program designed to provide advanced knowledge and skills in the field of education. This program, typically lasting one to two years, covers a broad range of subjects including educational psychology, curriculum development, pedagogy, and educational administration. It aims to prepare graduates for advanced roles in the education sector, equipping them with the expertise needed for educational policy development, administration, and higher-level teaching.

## Why Study Education (B.Ed/M.Ed)

Graduates can pursue roles such as higher education lecturers, school principals, or educational administrators, where they can influence and shape educational practices and policies.

Additionally, opportunities exist in educational research, curriculum development, and consultancy, enabling M.Ed graduates to contribute to the advancement of educational standards and innovation within various educational settings.

## PRINCIPALS DESK: A MESSAGE

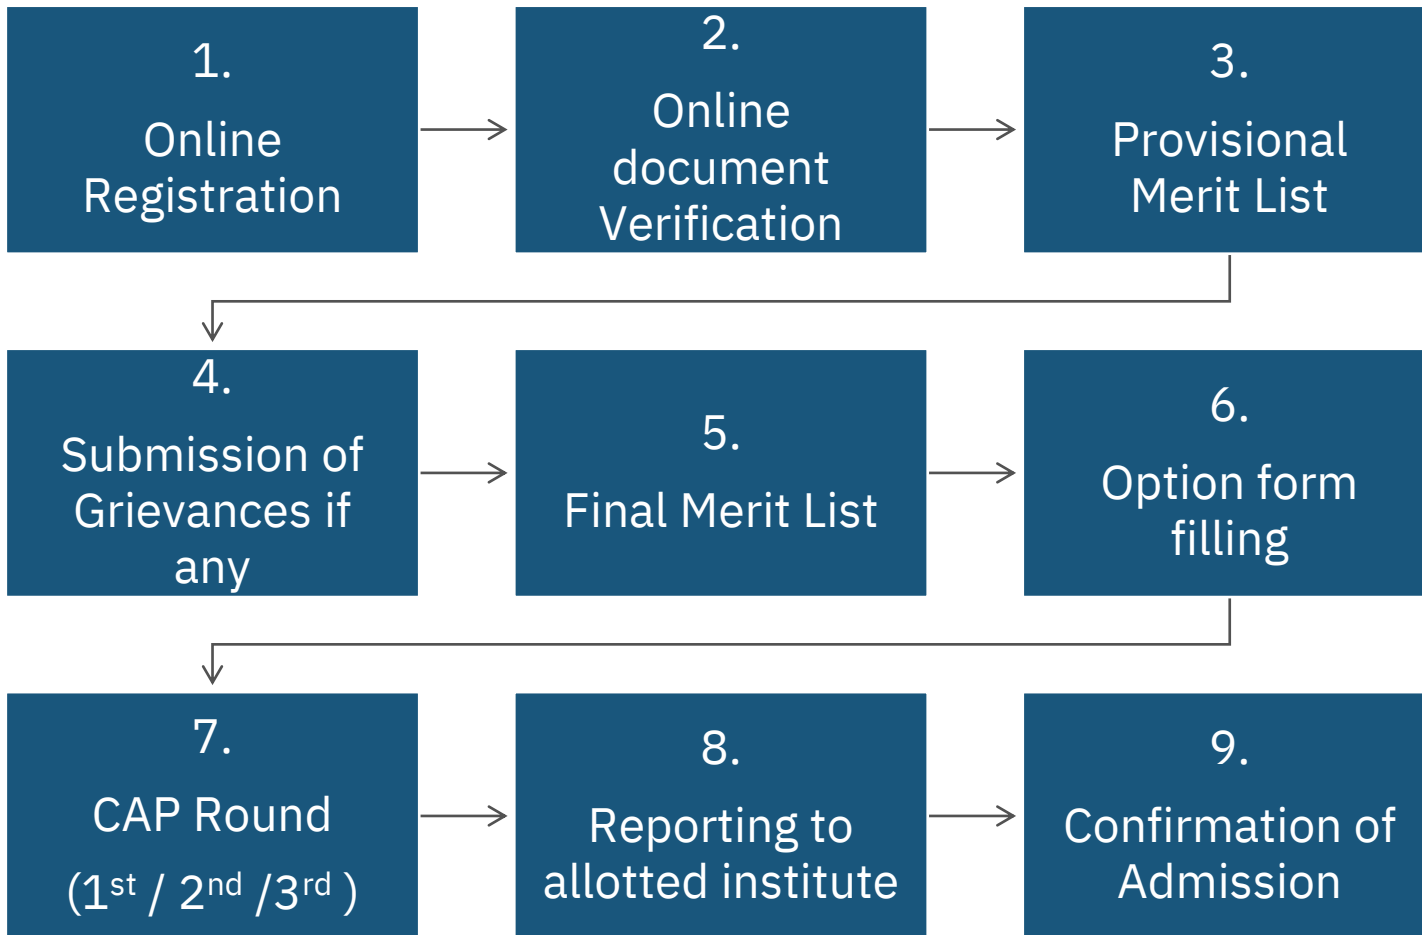

Dear Students! Welcome to Shri Sai Janvikas Pratisthans Education College Alni, Dharashiv. Our college is an institution of academic excellence and achievement since its inception in 2007. It is amongst one of the finest B.Ed and M.Ed colleges in our district. We are currently in process of completing NAAC accreditation, which will further improve our quality.

The idea of our college is to ensure we groom and nurture future teachers who pass not theoretical knowledge but also wisdom from experience. Lastly, we aim to ensure all our students understand the Psychology of a child and accept variance in student profile.

**Mr Rushikesh Lomate**  
Principal
